Aesthetics Matter

The Premium Trim Skirt cleans up the cut line.

Not worrying about a perfect cut on the face saves time and looks great. Since aesthetics matter, the Premium Trim Skirt ALWAYS matches the finish on the faceplates and electric strike body.

Large gap left when replacing the competition.

The CCTS fills in the gap.

Cutting Matters

1 - 3/8" Low Profile Backset provides ease of installation. Why cut for a deadbolt 100% of the time when they are only used 5% of the time.
