CVC Cable Attachment

## VON DUPRIN®

98/9949, 33/3549A

1 Install Cable(s).

a. Position red cable end to clip on center slide

(9949 center slide shown)

b. Pull cable into clip to snap it into place

⚠ IMPORTANT:
Ensure cable end is fully seated in clip
c. Push cable snap against center slide to secure cable
d. In the same way, install opposite end of red cable to top latch in the position marked red

For 2-Point Latch Only

e. There is an adjuster on one end of the white cable. Install this end to the remaining top latch position (marked as white)

⚠ IMPORTANT:
Ensure cable end is fully seated in clip

f. Install opposite end of white cable to bottom latch

2 Refer to Device Instructions to Complete Installation.

CABLE REMOVAL

A cable removal tool was included with device. Slot in tool fits over cable, holding tabs down. Pull on cable snap to loosen cable for removal.
