The discontinuation schedule will be as follows:

- End of Sales:
 - Please notify Norton Customer Service by December 15, 2015 if you anticipate any orders for projects through March 2016 where these units are specified. This will allow us to plan accordingly in support of the project.
 - Orders will not be accepted after December 15, 2015 unless otherwise identified.
- End of Support:
 - Factory technical support will be available through the warranty period, December 15, 2030.
- End of Life:
 - During the period between December 15, 2015 - December 15, 2030 limited supplies of warranty service parts will be available. If service parts are no longer available to support warranty replacements before December 15, 2030, Norton can, at its discretion, provide 1601 adjustable size closers in lieu of parts.

Please distribute this bulletin to everyone in your distributorship who specifies and/or purchases Norton door closers. Insert this announcement in the Norton section of your Door Controls full line catalog.
