5025 Series Light Duty Power Supply

Power Supply with direct output and built-in battery charging circuit

DynaLock 5025 Series Power Supply offers reliable solid state electronics and battery back-up circuitry as standard equipment. This cost effective package provides clean, filtered and regulated DC voltage for devices totaling up to 1 amp at 12 or 24 volts DC. Field selectable voltage allows design flexibility and simplifies ordering. Specify for all electronic devices, including access controls, electromagnetic locks, and CCTV.

- 1A at 12 or 24VDC
- Emergency Shutdown
- Battery Back-Up
- Lifetime Warranty
