The Arrow E Series status indicator deadbolt provides the ultimate in privacy assurance with bold visual indicators on both the inside and outside of the door. The Arrow E Series status indicator uses an emergency key override to unlock the door from the outside in case of emergency.

This product is ideal for use in public restrooms, dressing rooms, nursing mothers' rooms and other areas requiring visual communication of the use and assured privacy.

Certification & Compliance:

- ANSI/BHMA A156.36 Auxiliary Locks Grade 2
