

ASSA ABLOY

Commercial Pricing Trident Exit Device

Effective March 3, 2025

Miami-Dade County
NOA # 24-0626.01

ASSA ABLOY

In October 2023, ASSA ABLOY acquired Securitech Group Inc., a manufacturer of high-security mechanical and electronic door hardware products in the U.S.

During this transition, documentation and resources may be branded differently as we integrate Securitech into ASSA ABLOY.

ASSA ABLOY

The integrated keypad on the KDX allows a simple access control system with easier installation. Simply pair the KDX with a Trident on a single location to provide a controlled entryway to any of your facilities. With the built in lockout, a keyholder can lockout the keypad after hours. Simply using the key again will unlock the keypad.

LOCK BODY AND MODULES

TRIDENT FIELD REPLACEMENT ASSEMBLY (TFRA)

Usage:

Damaged modules, cables or multiple issues

Information:

The Trident is furnished with the modules factory installed to ensure proper function when installed according to the steel template furnished with each Trident and proper mounting of the strike and drilling on the frame holes.

TFRA allows door self and manual locking Trident replacements with retention and reuse of the existing paddle, strike, channels, module covers, anti-pry plate (or other exterior trim), hinge-side bolt(s) and fasteners.

TFRA Repair Program:

Removed Trident assemblies can be returned to Securitech for review and repair. An repair evaluation will be performed prior to any work. Return units can be used for future service, if needed.

SELF-LOCKING TRIGGER

PL-065: Replacement trigger replaces worn-out or damaged trigger.

PADDLE ARM

10029701: Paddle arm with pin assembly

LOCK BODY AND MODULES

TRIDENT FIELD REPLACEMENT ASSEMBLY (TFRA)

Usage:

Damaged self-locking lock mechanism only

Information:

A qualified technician can remove the cable connection and reinstall them to the new lock mechanism, which is prepared for this service work.

TFRM allows for retention of all elements while replacing the primary lock mechanism. Please note the lock body is never shipped individually and disassembling of the full assembly and replacement of an individual item is not an option.
