Norton Rixson reserves the right to decline an order, in whole or in part, when the type or quantity of goods or credit worthiness of the Purchaser is not satisfactory to us in our sole and absolute discretion. Purchase Orders, Quote Requests, Acknowledgements or the like issued by the Purchaser that have contrary standard terms and conditions are not binding on Norton Rixson, unless such terms and conditions are approved in a separate written agreement by Norton Rixson authorized representatives. In the event of an acceptance of Purchaser's Purchase Order by Norton Rixson, the Purchaser agrees that such acceptance is solely conditioned on Purchaser's acceptance of the terms and conditions set forth in this instrument, regardless of the terms and conditions specified in Purchaser's Purchase Order. The terms and conditions in Purchaser's Purchase Order which conflict with the terms and conditions of this instrument shall be disregarded and are hereby rejected, and this instrument shall constitute the entire agreement between Norton Rixson and the Purchaser.

In the event that Norton Rixson does not enforce or require strict performance of any term or condition hereof, or of any other document, instrument or other agreement relating to goods sold, such lack of enforcement or requirement of strict performance will not waive, affect or diminish any right of Norton Rixson to enforce or require strict performance of such term or condition in the future.

#### **PRICES**

All prices are subject to change without notice and are not guaranteed.

Price Adjustments and/or Surcharges may be necessary due to a change in laws, including but not limited to, tariffs, duties and surtaxes. Any price change, if applicable, are in addition to any regularly announced price adjustments and are subject to implementation without advanced notice.

Possession of this price list does not constitute an agreement to sell. We reserve the right to correct any errors at any time.

#### **TERMS**

Invoices dated the 1st through the 15th will be due for 2% discount on the \*10th of the following month. Invoices dated the 16th through the 31st will be due for 2% discount on the \*25th of the following month. \*Net immediately thereafter. (Norton Rixson retains the right to sell or to decline to sell to any Customer for any reason whatsoever that in its judgment is deemed sufficient.)

It is understood that Norton Rixson may impose and charge a finance charge which is the lesser of one and one-half percent (1-1/2%) per month or the highest rate allowed by law on any amount which becomes past due and delinquent. Additionally the Customer shall be responsible for all collection costs, court costs and reasonable attorney's fees (where allowed by law) in connection with the recovery of any delinquent amount.

#### **FREIGHT**

All orders are shipped FOB factory/warehouse, except as expressly provided below. When delivered to the Transportation Company, the Purchaser assumes the risk of loss or damage in transit.

Customer orders with net product value in excess of \$7,000.00 will be shipped prepaid by Norton Rixson's carrier of choice to a single destination point in the United States. Orders for Norton Rixson goods can be combined on one purchase order to meet the \$7,000.00 minimum value for prepaid shipping.

Customer orders with net product value less than \$7,000.00 will be shipped prepaid by Norton Rixson's carrier of choice and freight and handling charges will be added to the Customer's invoice.

A minimum freight and handling charge of \$15.00 will be charged on orders with net product value of \$400.00 or less.

For orders with net product value greater than \$400.00 and less than \$7,000.00, freight charges will be calculated as a percentage of the net invoice value and will be added to Customer's invoice. The percentage is based on the National U.S. Average On Highway Diesel Fuel Prices as reported by the US Department of Energy in effect at the beginning of each month. The new rate will be published on the Norton Rixson extranet and will go into effect for shipments beginning on the 1st day of the month. Please refer to the extranet for the rate chart and information on the current freight charge percentage.

If a customer provides their own freight account # for the freight charges, Norton Rixson will apply a handling fee of \$25.00 to the invoice.

Expedited shipping options – If the customer requests an expedited method of shipment such as "Next Day Air" the charges will be prepaid by Norton Rixson and the full rate for the service, as published by the carrier, will be added to the customer's invoice.

Packing – Norton Rixson will pack, mark and ship the products according to its standard procedures for shipment, unless the parties agree, in writing, that Norton Rixson will comply with any special instructions provided by the customer. Special instructions must be submitted, in writing, at time of order placement. Compliance with special instructions may result in an increased price.

#### MINIMUM ORDER

In the event that the net product value does not meet the required net minimum, Norton Rixson may, at its sole discretion (a) apply a minimum order charge, (b) reject the order or (c) waive the minimum requirement provided that the waiver of the requirement for one order shall not constitute a waiver of the requirement for any future orders.
