

RE: Notice of Tariff Surcharges

Valued Allegion Customer,

While the majority of our supply chain is based in the United States, new tariffs impacting the United States and its trade partners are driving cost increases across some raw materials, components, and finished products.

Allegion has ongoing sourcing and manufacturing actions underway to help mitigate this inflationary impact, however, it is necessary we pass along these increases.

As a result, the following pricing updates are effective as of Monday, March 17, 2025:

1. Allegion will apply a surcharge on all new orders received on or after the effective date as follows:

- Schlage & Falcon Commercial Locks: 2%

- Dexter Commercial Locks: 2%
- Schlage Commercial Electronics (Elocks, Credentials/Readers): 2%
- Schlage ECS (Maglocks & Power Supplies): 6%
- Locknetics: 2%
- Von Duprin & Falcon Exits: 2%
- Dexter Exits: 2%
- Von Duprin Electronic Accessories (EPT, 6000 series, power supplies): 6%
- Accessories (All Brands - GJ, IVES, Zero, SOSS): 2%
- LCN Cast Iron: 2%
- LCN & Falcon Auto Operators: 2%
- LCN, Falcon & Dexter Aluminum (4050, 1250, 1450, SC Series, DC Series): 6%
- LCN Magnets: 6%

2. These surcharges apply to all order types (both project quotes and buy program orders).

3. All orders received prior to March 17, 2025, but not acknowledged will not have surcharges applied.

We will continue to monitor market conditions and will take the appropriate actions. If you have any questions regarding these changes, please reach out to your Allegion sales representative.

Thank you for your continued support, business, and partnership with Allegion.

Sincerely,

Dave Ilardi

Senior Vice President and President,
Allegion Americas
