Surcharge Effective April 2

Dear dormakaba Customer:

Due to the tariffs impacting our business, we must implement a **10% surcharge on all orders, effective April 2, 2025**. The adjustment ensures we can continue delivering the quality and service you have come to expect from us.

This surcharge will apply to all shipments on or after **April 2, 2025**, regardless of order date and independent of pricing actions. We understand the challenges this presents, and we are working diligently to limit your exposure. If future policy updates modify the tariffs, we will reassess the surcharge at the time of shipment to ensure fair pricing.

If you have any questions, please reach out to your Account Executive. Our team is here to assist you as we navigate these economic shifts together.

Thank you for your support, your business, and your continued partnership.
