Customer Notice

Important: Tariff Surcharge Effective June 2

To address the ongoing impact of tariffs, BEA will implement a tariff surcharge of 9.5% on all orders starting June 2, 2025. This will be listed as a separate line item on your order invoices. Please note this surcharge will also apply to any open quotes and orders as of June 2.

We are currently engaged in activities to mitigate tariff impacts to our customers and will apply action where feasible to minimize the burden. BEA remains committed to delivering high-quality products and services. We hope this action will be temporary, depending on the evolving tariff situation. We appreciate your understanding as we navigate these changes together.

Thank you in advance for your trust and support.
