Dear Valued Customer,

The recent implementation of increased global trade tariffs is adversely affecting the cost to manufacture our products.

Altronix has and will continue to absorb a certain portion of these costs, however a tariff surcharge ("surcharge") is unavoidable for the foreseeable future. Therefore, effective June 1st, 2025, surcharges where applicable will be applied to all orders.

You will be receiving a product list within the coming weeks indicating the surcharge that will apply to each item. At this time, we will continue to process all orders at your current pricing, provided your orders are within your normal purchasing patterns until the effective date of the surcharge.

Sincerely,

Alan Forman
President
Altronix Corp.
