Important: Tariff Surcharge Effective June 2

Dear Valued Customer,

We're reaching out to share an important update regarding tariff surcharges. Based on new information, we have reassessed the applicable charges and are reducing the surcharge from **9.5% to 4%**, effective June 2nd.

We sincerely appreciate your partnership and continued trust in us. As part of our commitment to transparency and fairness, we will continue to closely monitor tariff developments and make adjustments as needed to ensure our pricing remains fair and reflective of current conditions.

Thank you again for your continued support.

If you have any questions, please reach out to Customer Service via email at orders-us@BEAsensors.com or by phone at **1-800-523-2462**.
