Re: Tariff Surcharge Update – Effective 2/1/2026

Dear Valued Customers,

We're pleased to share some positive news. Due to recent improvements in market conditions, GMS will be rolling back the tariff surcharge from 18% currently applied to all orders to 12%. This change will take effect on February 1, 2026. You will see the updated surcharge reflected on all purchase orders invoiced starting February 1, 2026 (including back orders that ship on/after February 1, 2026).

Our goal is always to provide consistent value and transparency, and we're glad to pass these savings directly back to you. We will continue to monitor the tariff situation closely and will make adjustments promptly in response to any further developments.

Thank you for your continued partnership with GMS. We sincerely appreciate your continued support and understanding. If you have any questions, please contact our Sales or Customer Service team.

Sincerely,
Mike Tong
